Ultima Thule has been a hallmark of Finnish glass design since 1968. Tapio Wirkkala named it after the ancient term for the furthest, mysterious northern reaches. With the nuanced flavors of cloudberry, arctic bramble, and a sparkle of champagne, this cocktail captures the wild North in every sip.

Inviting — Social — Unorthodox

Kyrö Vodka ♦ St. Germain Elderflower Liqueur ♦ Rhubarb
Cordial ♦ Corvezzo Prosecco Rosé ♦ Herbal Soda

The Aalto vase, designed in 1936 by Alvar Aalto, is a unique fusion of craftsmanship and modern design. Celebrating its 90th anniversary this year, the vase's signature waves still cast a quiet, captivating presence in any interior.
